WHEREAS, King County is now in possession of an easement for drainage purposes, conveyed by Pope & Talbot, Inc. to King County, which is legally described as follows:

That portion of Government Lot 2 in Section 14, Township 26 North, Range 4 East, W.M. in King County, Washington, lying within a strip of land 10 feet in width having 5 feet of said width on each side of the following described centerline:

Beginning at the intersection of the east margin of 61st Avenue N.E. with a line 5 feet north of and parallel to the south line of Lot 5, Block 4 of the plat of The Inglewoods No. 1 as recorded in Volume 50 of Plats, page 29, Records of King County, Washington; thence N 84°42'25" W parallel with the south line of said Lot 5 to the west margin of 61st Avenue N.E. and the true point of beginning; thence N 84°42'25" W to an outlet on the shore of Lake Washington and the terminus of this centerline.

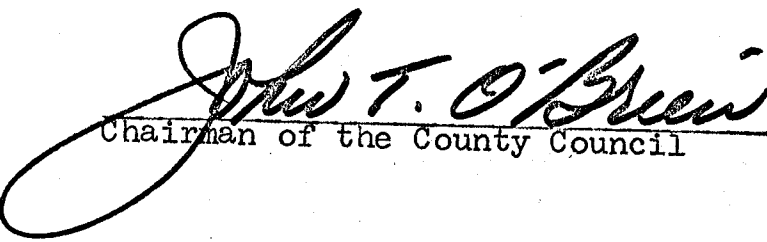

WHEREAS, the above described easement was not located in the most desirable location from an engineering standpoint for drainage purposes, the Grantor, Pope & Talbot, Inc., has granted another drainage easement to King County making the heretofore described easement of no further use to King County. Further this easement should be returned to the grantor so as not to unnecessarily cloud their title to the underlying fee.
